Third Informational Email: Packing List

Dear Participant:

We're looking forward to seeing you in a few short weeks. For your convenience, here's a list of things you may want to bring with you. There are a few very notable items:

1. This year, there will be **no water bottle included** (plenty of water, just nothing to carry it in). You will need to bring at least two liters of water on most activities so you will need to **bring water bottles with you**.
2. Those coming from the United States need to remember to bring your valid passports or passport cards. You also will need to download the [ArriveCan](#) app and upload the required information via your phone or a computer within 72 hours of going to Canada. The Canadian government requires this to pass into Canada.
3. Bedding packages do not include washcloths. You may wish to bring one even if you signed up for a bedding package.
4. We have a limited number of Covid test kits. You might wish to bring some test kits, just in case.
5. Please e-mail [registration@mosaicoutdoor.org](mailto:registration@mosaicoutdoor.org) if you have a need for refrigeration (insulin, etc.).

As always, we do suggest you plan to dress in layers and bring rain gear just in case. We will not cancel an activity just because it is raining. Lighting Yes. USE COMMON SENSE when packing! Remember that you will be in Canada, north of Toronto so nights may be cool.

#### THE LIST:

- WATER BOTTLE/HYDRATION SYSTEM. Hikers are advised to bring at least two liters (three for all-day advanced hikes). Many hikes will not have places to fill up during the day, so it is essential to have enough. Anyone who does not have enough water may not be permitted on specific hikes at the leader's discretion.
- TOWELS (bring more than one in case they do not dry fast enough).
- Two towels are included in the linen package only if you paid to rent the package during your registration by August 13th.
- SLEEPING BAG OR LINENS!!! -
- Bedding Package Includes: blanket, sheets, pillow/pillowcase, towel
  - You would receive a Bedding Package only if you paid for a rental package before August 13th.
